An example of the wonders that your generosity supports:

Presented by: Mid City Nutrition Program
Soup Kitchen . . .

From our:
**Reducing the
Need for
Emergency
Services
Impact Area**

A middle-aged man with a great deal of pride and a warm smile has been coming to the Soup Kitchen for the last 2 years while struggling to find employment. Recently, he came into the office and gave us \$22.00 unexpectedly. When asked what it was for, he said that we had taken care of him for 2 years and now that he has a job, he wants to help others in return. The man did not want recognition, a donation receipt, or anything other than to help.

He was in again this week; this time with a \$40.00 contribution, a prayer for all, and a great deal of humility for the help he has received. Mid City Nutrition Program is an important part of so many daily lives and this caring man serves as an example of one we helped through tough times. Once he overcame his struggles and remembered his positive experiences and the value

of our program, he was eager to give back so others can also find the help they seek.

THANK YOU

WAYNE!
