Seeking Volunteers ~ New St. Clair County Hub Created

United Way of St. Clair County (UWSCC) has created a real-time document that illustrates the need for volunteers throughout St. Clair County. There are many essential services in the county that rely on volunteers in order to keep their doors open and serve the community. UWSCC is collaborating with organizations and businesses to help them secure the assistance they need.

Organizations and businesses in need of volunteers to keep your services available to the community:

Contact Mallory Michaluk, Resource Development Director, at campaign@uwstclair.org to add your entity to UWSCC's Volunteer Opportunity list. The list will be available on their website, www.uwstclair.org/Volunteer, and shared through social media.

Residents looking for a way to help the community during this difficult time:

UWSCC's Volunteer Opportunity list will be updated regularly and always available on their website, www.uwstclair.org/Volunteer, for you to view. This list contains the organization's name, address, phone number, and basic tasks are needing to be filled. Please only inquire about volunteering if you are in good health and not displaying symptoms of COVID-19. Thank you!
