~ SUMMERTIME FUN ~

It's time! Time to check out our new and improved projects! If you have not seen them yet, please take a few minutes to discover the latest and greatest from our:

Care Kit Service Projects ~ www.uwstclair.org/ImpactAreas

Great for individuals and groups looking for a hands-on way to help others in our community! Visit our webpage above to see a list of the programs we fund in each of our four Impact Areas. Then, click on the name of an Impact Area for a glimpse into those programs. While these pages are a work-in-progress, we have made strides adding photos, success stories, brief descriptions, and, most excitedly, Care Kits. Each **Care Kit Grocery List** may be downloaded and printed so you have everything you need to get you started on your service project.

1. Teaching Youth Life Skills
2. Reducing the Need for Emergency Services
3. Helping Adults through Education or Training
4. Improving Quality of Life through Health & Advocacy

If your program of interest does not currently have a Care Kit shown, please let us know and we can help facilitate one with our Affiliated Organization. **Our first set of Care Kits was recently delivered** by a Youth Group to the Harbor - teens helping teens. Does it get any better than that?!?!

UWSCC Website Refresh ~ www.uwstclair.org

Have you seen our website's makeover?? Our goal was to make it more user-friendly, easy to find helpful resources, and filled with information so the community can better understand what we do and how we do it. While more exciting additions are coming, here are a few of the many new resources to look for:

1. **Newsletter sign-up** form on the Homepage so more of our community can become connected with us.
2. Our 'About Us' and 'History' pages have been reworked to showcase our three pillars of being **Local, Accountable, and Volunteer-Driven**.
3. A '**Help Me!**' menu and '**211**' tab have been added so finding help is quick and easy! This is where our Direct Services and collaborations are displayed.
4. The '**Impact Area**' menu focuses on the needs of our community and how our Affiliated Organizations are helping our affected residents.
5. We now upload our Press Releases and Newsletters to our '**News**' page to help us share our activities and accomplishments publicly.
6. We have an **Online Calendar!!!** We will be guiding RSVPs to our Events Calendar rather than registering over the phone or via email. This will help to streamline our processes and save us much time with each event. Don't worry, if you are more comfortable calling or emailing us, we will gladly accept your registrations through those channels!
