~ ALWAYS HERE FOR YOU ~

This year has become known as the year of uncertainty and deviations from our norms. We regularly hear of things being canceled or postponed. We are pleased to share that our services are uninterrupted and the 2020 Community Campaign is still on! Many of our neighbors are finding themselves in need of help due to business closures and downsizing. Our community will continue to be hit by the widespread effects of the COVID-19 pandemic for quite some time. During times like these, we need to be there, united and stronger than ever, for those who need us most. Please help us to make an impact for those who are struggling!

~ SAVE THE DATE ~

We are nearing the start of our 2020 Community Campaign! During the past two months, we have been working hard to develop this year's theme and goal, create interesting informational materials, and produce an inspiring video that will educate the community on our impact. We hope you will join us to kick off this year's Campaign with a unique drive-through breakfast! Register through our [website](#) and choose your arrival time slot. We will announce the menu soon!

~ COMMUNITY IMPACT DAY ~

On Monday, August 3, 2020, our Emergency Services Fund sponsored three Food Trucks from Food Bank of Eastern Michigan. These pop-up food pantries served residents in the Capac, Yale, and Algonac areas. We are thankful for the support we have received for our Emergency Services Fund that enables us to make a larger impact during uncertain times like that of the COVID-19 pandemic. Thank you to our community hosts:

St. John Lutheran Church, Capac Yale Jr. High School, Yale Community First Health Center, Algonac
