~ IT'S OFFICIAL ~

Our 2020 Community Campaign has begun! Thank you to everyone who joined us for our drive-through breakfast adventure on September 10th! What fun we had! We have some major gratitude to express to all who made this unique and joy-filled experience possible:

1. Our **Special Events Committee** and **Volunteers** ~

for all of your time, talents, and energy you put into each and every event we host. Your creativity, dedication, and support are phenomenal. We couldn't ask for better **Hand Raisers!**

2. Our **Event Sponsors** ~

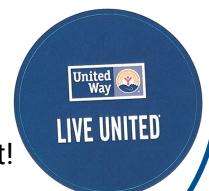

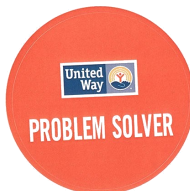

for your extra gift that ensures that the resources we raise through our annual Campaign are invested back into the community. Each of our annual events are made possible through the generosity of local businesses and organizations that understand the value of gathering together for special occasions. Our events would not exist without them - they are our **Problem Solvers!**

3. Our **Guests** ~

for your continued support even during difficult times. You joined us on an adventure as we veered from the norm. You took a chance on the unexpected and greeted us with enthusiasm. Your dedication to our organization and the community is admirable and appreciated! We thoroughly enjoyed seeing your smiling faces and being lifted up by your presence as we celebrated the beginning of our 2020 Community Campaign. To those who were unable to attend, we missed you and hope to see you at our next gathering! You are all the best **Game Changers** our community could hope for!

Our **2020 Goal** is to raise enough resources to **help 15,000 of our neighbors** who need us most!

~ Virtual Campaign Options ~

Virtual is here to stay; at least for the foreseeable future. To help alleviate some of the growing pains we are all facing as we adapt to social distancing, we have created new tools so your employee giving campaigns can stay on schedule. We will be releasing two new videos each week, a total of nine videos, on our [YouTube channel](#); they will be shared on all of our social media pages. Each video showcases our [2020 Campaign Video](#) and is introduced by one of our many phenomenal volunteers and contributors who share why they support our organization. You are welcome to use any of these videos in conjunction with your workplace campaign. Want to pick one to share with your team? Ask us for a viewing! Our first video features [Executive Director Brent Gillette](#). Watch Brent here: <https://youtu.be/v48KxUjATX0>
