### Mission Statement

To mobilize the community of  
St. Clair County to raise funds and/or resources  
to meet identified human service needs with  
the highest level of accountability  
and community involvement.

### Report of the President & Executive Director

On behalf of the United Way Board and staff, we are pleased to share this report on United Way's work in the 2016-17 year. Your United Way was busy mobilizing the community to be Every Day HERO's to improve people's lives with a vision for positive community change.

This year's Campaign theme was Hometown Heroes. The Cabinet focused on *What United Way is...* Thanks to our Hometown Heroes, United Way assisted over 12,000 local residents of St. Clair County through 23 affiliated organizations providing over 40 programs and services. United Way is a volunteer-driven organization raising funds to support the mission of addressing community issues. Using those funds accountably and working with the entire community to improve the quality of life for everyone. In essence, *People Helping People*.

In December 2016, we were approved by the Michigan Public Service Commission to bring the 2-1-1 call service to St. Clair County. We are proud to be a part of 2-1-1 Northeast Michigan and a state-wide network to provide free, confidential information and referral services to our residents. By simply dialing 2-1-1, you will be able to get information on local human service needs.

All the programs and services we are able to fund are due to the generosity of our donors. Our thanks to Rebekah Smith, President of Lake Huron Medical Center, for leading the successful 2016-17 campaign raising \$1,218,219. The contributions will provide program services and support our community. We are pleased and looking forward to working with Danny Negin, Regional Managing Partner for Farm Bureau Insurance, as the Campaign Chair for the 2017-18 Campaign.

While we have experienced some transition and change throughout the year, what remains unchanged for United Way of St. Clair County, is the commitment of the staff, volunteers, Affiliated Organizations and supporting donors to support human service needs in our community. We are fortunate to have the level of dedication and giving leadership from the individuals, companies, agencies and organizations that comprise our community. Our commitment to collaborate and problem solve with all stakeholders to ensure the donor gifts we have raised for this coming year will make a difference in our great community.

Past, present and future, the United Way of St. Clair County continues to be a leading and integral organization making sustainable impacts in human services.

## Citizens Review Committee Report

The Citizens Review Committee (CRC) addressed local needs by maintaining funding for programs throughout the year. The committee is comprised of local contributing volunteers who are making a difference EVERY DAY. Programs focus on reducing the need for emergency needs, teaching youth life skills, improving quality of life through health and advocacy, and helping adults through education/training. The CRC recognized a gap in resources and welcomed Sanborn Gratiot Memorial Home as a new Affiliated Organization, last year. All organizations maintained the level of accountability and met the standards of reporting the CRC requires for our Affiliated Organizations. In total the CRC has 23 organizations and United Way funded 43 programs last year.

I have had the privilege to work with the CRC for over 15 years, serving as Chair for the past three years and would like to thank those that have served on the committee for their countless hours they have put in. Throughout the past years, we have endured many changes while remaining focused on the mission. Last year, the CRC collected data and reviewed the most pressing needs of our County. As changes were acknowledged, the consensus was to maintain programmatic funding and remain open to new organization requests, programs and concepts. The emphasis moving forward will be to continue assessing local data and statistics and expand the reach of the lives impacted through funded programs throughout the County. This yearly process has been very rewarding. I am looking forward to continue volunteering on the CRC, as my term limit on the board expires I am also stepping down as chair of the Citizens Review committee. I would like to thank everyone for the opportunity to serve the United Way of St. Clair County.

**Joseph Dams, CRC Chair**

## Campaign Chair Report

I agreed to Chair the 2016 Campaign because I knew our "Hometown Heroes" would step up to the challenge. Walter Reuther said, "There is no greater calling than to serve your fellow man. There is no greater contribution than to help the weak. There is no greater satisfaction than to have done it well". I feel my Campaign Cabinet exemplifies that. I have always believed our community is a giving community and United Way is the single best way to help the most people. It has been my honor, to lead these great volunteers and make a difference for our neighbors every day.

An ambitious goal was established at \$1,300,000 and with the Cabinet's enthusiasm and vigor we accomplished great things. The Cabinet updated the community with radio spots, reached across their assigned accounts to help with presentations, furnished prizes to drive competitions and raffles, and communicated with as many people as possible, trying to reach 100% contact throughout the County. However, we met some unforeseen challenges we could not overcome and missed our goal.

The Cabinet's energy was measured through their achievements by sending 524 personally sign letters, adding 112 new accounts/companies and 129 accounts/companies increased their contributions over last year. We continued the Everyday HERO incentive, with 13 local merchants offering a discount for contributors wearing their button (most current listing of Everyday HEROES right).

The Campaign is successful because of the combined efforts of the Cabinet, worksite coordinators and contributors. I know United Way is helping people who are in need. As Campaign Chair, I want to personally thank each and everyone who donated their time, talent and treasure to make our Hometown the GREAT that it is.
